MEMORANDUM FOR: Associate Deputy Director for
Intelligence

THROUGH : Acting Director of Strategic
Research

THROUGH : Chief, Strategic Evaluation
Center, OSR

SUBJECT : Clearance to Participate in a
Symposium

1. I have been invited to participate in a round table discussion at the 35th Military Operations Research Symposium (MORS) to be held at the US Naval Academy, Annapolis, Maryland, on 1-3 July 1975. The letter of invitation containing additional details is attached. The session chairman has indicated he desires informal discussion rather than formal presentations. All attending the symposium hold Secret clearances.

2. Attached are copies of six Secret view-graphs I may use should the discussion warrant. They would be used in explaining the importance of throwweight for silo survivability and to show the counterforce potential (K factor) the US and Soviets may be developing over the next ten years.

3. I shall identify any opinions or judgments offered in my discussion as my personal views rather than CIA positions.
